Making Sense of the 5 Senses: 10 Worksheets

Help your kindergartener learn all about sight, touch, smell, sound and taste with these worksheets that explore the five senses.
Sense of Taste

Human beings (like you!) have five ways of sensing the world around them: hearing, sight, taste, touch, and smell. Complete the activity below to learn about your sense of taste.

Cut out the food and paste it onto the tongue above.

- Strawberry
- Lemon
- Olive
- Pretzel
Smell

We use our nose to smell.
Draw something you smell in the garden.
We use our mouth to **taste**.
Draw something you **taste** at the farm.
We use our ears to **hear**.

Draw something you **hear** at the zoo.
We use our eyes to **see**.
Look in the mirror.
Draw what you **see** in the mirror.
Touch

We use our hands to touch.

Draw something you touch at the beach.
Science

Five Senses

Which sense goes best with each picture on the right? Draw a line to connect the best matches.
Sense of Sight

*Human beings (like you!) have five ways of sensing the world around them: hearing, sight, taste, touch, and smell. Complete the activity below to learn about your sense of sight.*

*Draw a line to match the sight.*
*What color are your eyes? Color in the eye to match.*

---

**Colorful**  **Shiny**  **Bright**  **Dark**

A Tasty Experiment

What You Will Need:
~ Slices of potato
~ Slices of apple

What You Will Do:
1. Taste the potato.
2. Now pinch your nose and taste the potato again.
3. Taste the apple.
4. Now pinch your nose and taste the apple again.
5. Try this tasty experiment with other foods!

Is there a difference in taste when you pinch your nose?
The Five Senses: Hearing

Color in the pictures of the things that you can hear.
